П'ятидесятниця або Зіслання Святого Духа

50 днів після Воскресіння здійснилися слова Спасителя: “я пішлю Вам Утішителя, Духа Істини.” Події Розп'яття, Воскресіння та Вознесіння Учителя були зворушливими для всіх котрі ходили з Ісусом. Тяжко їм було зрозуміти події останніх 50 днів. Але зібравшись разом в кімнаті, при молитві, чудно сходять на них Святий Дух і тривога перетворюється на відважність, смуток на глибоку радість. Скромні риболови стають проповідниками Божого Слова і провідниками Христової Церкви. Зіслання Святого Духа це день коли народжується Христова Церква!

When the day of Pentecost had come they were all together in one place. And suddenly a sound came from heaven like the rush of a mighty wind, and it filled all the house where they were sitting. And there appeared to them tongues as of fire, distributed as resting upon each one of them. And they were all filled with the Holy Spirit... (Acts 2:1-4).

The Holy Spirit that Christ had promised to his disciples came on the day of Pentecost (Jn 14:26, 15:26; Lk 24:49; Acts 1:5). The apostles received “the power from on high,” and they began to preach and bear witness to Jesus as the risen Christ, the King and the Lord. This moment has traditionally been called the birthday of the Church.

Щире спасибі всім жертводавцям.

«Нехай Зелені свята будуть по-справжньому зеленими», – референт з питань екології Львівської архієпархії УГКЦ

Бюро УГКЦ з питань екології засноване (на базі Екологічного центру Івано-Франківської єпархії УГКЦ) згідно з рішенням 37 сесії Синоду Єпископів Києво-Галицького Верховного Архієпископства УГКЦ та декрету Блаженнішого Любомира від 15 грудня 2007 р.

Let's make the “Green” (Zeleni) Holy day truly GREEN!

At this time of year, the director of our Church's Office of Ecological Affairs, Fr. Sheremeta calls us to be more attentive to our environment. The office has been in existence since 2007 and is based in Ivano-Frankivsk, but active throughout Ukraine. The office's goal is to help us all recognize that care for the environment is part of our responsibility as Christians.

Fr. Sheremeta reminds us that, “Every Christian must understand that a responsible approach to the environment is an obligation which flows from faith in the God who created and saved us; it is an essential component of Christian existence and conduct.”

At the meeting of Eparchial directors of the Ecological Offices, Bishop Jaroslav Pryryza of Sambir-Drohobych welcomed the attendees by saying: “Your affairs and activities are divinely inspired because, through your work among clergy and laity for building respect for God's creation, you witness a true holiness!”
