Dear Ukrainian Church Of The Transfiguration:

As the temperatures drop, we thank you for helping neighbours who have been challenged by the unexpected. Your donation of 198 lbs of food will have an immediate impact on the children, families and seniors relying on food assistance in our community.

Each winter thousands of people in Waterloo Region are forced to choose between buying food and paying their heating bills. Life circumstances can happen to anyone at any time. Most people never expect it to happen to them.

Your support is making a difference in our community every day. Because of people like you, we are able to provide nutritious food for more than 35,500 meals each and every week. Thank you for helping us ensure no one goes hungry in Waterloo Region.

Wishing you a warm and joyful new year.

With sincere gratitude,

Wendi Campbell
Executive Director
